

Youth Participation in their Parish

Dear Parents, we look forward each year to having our children participate in 9:30 AM Family Mass during the school year. Besides having you present at this Mass with your children it would be great to have your children participate. They can do so in three ways:

- 1) **Our Youth choir (3rd grade or above):** sing at 9:30 am Mass on Sundays that there is Religious Education. Rehearsals are on Saturday mornings only on weekends when there is Religious Education. Rehearsals are 9 – 10 AM in the choir loft.
- 2) **Be a reader or gift bearer (3rd grade or above):** Students can do readings and prayer of the Faithful intentions and bring up the gifts. What is great is when your child is scheduled; you can sit together as a family in the front.
- 3) **Altar Serving (any boy or girl going into 4th grade or above):** Will involve one training session and your child will serve maybe once a month. You are also provided with a list of servers and their phone #s so if you have a conflict you can switch or replace yourself.
